

# Partner with us to understand, compete and grow in international markets

GIA is a strategic market intelligence and advisory group. Formed in 1995 by a team of market intelligence specialists, management consultants, industry analysts and technology experts, GIA offers a powerful suite of customized solutions ranging from outsourced market monitoring services and software, to strategic analysis and advisory.

## We understand your business

With a track record of supporting thousands of clients around the world, you can be assured that GIA understands your business issues as you compete and grow in international markets.

## Access industry expertise and local knowledge in over 100 countries

GIA Group has 11 offices on 4 continents. Together with affiliated GIA Member companies and certified GIA Research Partners and consultants, GIA provides access to local knowledge in over 100 countries. All GIA Network companies adhere to GIA's Research and Analysis Quality System as well as the SCIP Code of Ethics.

## Make better informed decisions with customized solutions

GIA provides solutions that are tailored for you by a team of specialists. This customized approach is embodied in our Intelligence Partnership™ concept, through which we help create synergies across all your strategic market intelligence and advisory needs with a one-stop solution.

### Intelligence Plaza®

*Robust and scalable software that enables full control of the intelligence process*
